

EPT-55 features a full 5,500 lb rated capacity with a two (2) year structural and two (2) year hydraulic pump warranty.

- Tapered forks and entry and exit rollers allow for smooth pallet handling
- A galvanized hydraulic pump includes an overload relief valve and braking can be actuated by both hand and foot controlled release.
- The EPT-55 requires ten full strokes to reach maximum elevated height of 7.8”.
- Ergonomically designed control handle features three position fingertip control.
- Foam cushioning is standard.
- A 200 degree operational arc.
- Spring loaded handle returns to upright position automatically.
- Frame is powder coat paint.

This heavy-duty unit offers great value for customers who consider performance and price as essential in their purchasing decision process.

Easily recognized for their maneuverability, versatility and durability, hundreds of thousands of **BLUE GIANT** hand pallet trucks see daily work around the globe. Our extensive product offering will match any and all of your particular application or budget requirements.
